Subject: End of Day - Congressional and Intergovernmental

I will be taking use/lose annual leave on Monday, September 28th and will be back in the office on Tuesday, September 29th.

Congressional and Intergovernmental:

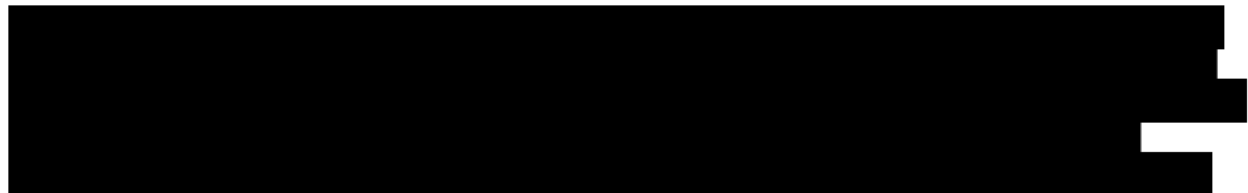

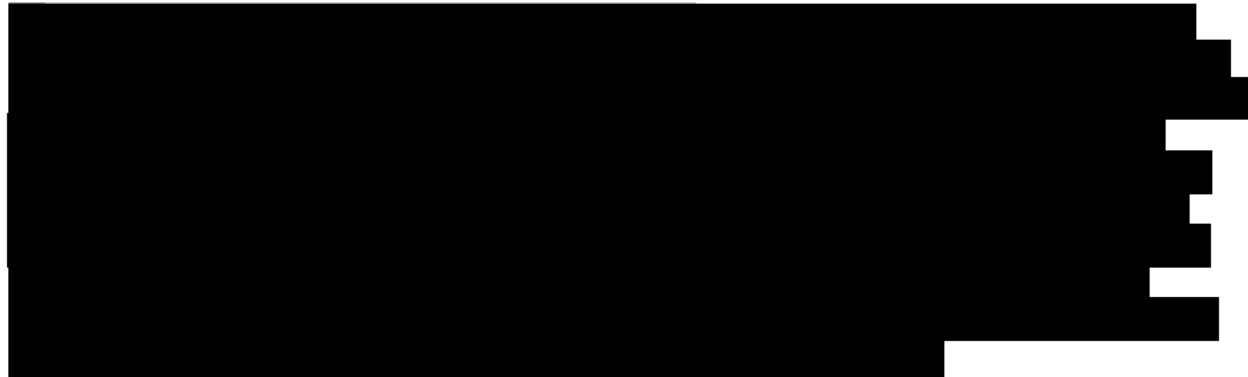

Sen. Dianne Feinstein (D-CA): Brent Maier provided some information and links on EPA's website to Ken Rooney in the Senator's DC Office who wanted some information on the special case issue regarding the (Cargill) Redwood City Salt Pond issue. Brent provided Ken with a link to information posted on EPA's website regarding the Redwood City Salt Plant issue that includes a link to a PDF copy of a letter sent by EPA on March 18, 2015 to John C. Morrow Lieutenant Colonel, US Army Corps of Engineers as well as a link to a 1989 memorandum of agreement between EPA and the Army Corps of Engineers (ACOE) which lays out the process by which EPA can move to take over determinations about federal authority on individual sites, entire regions or particular activities and includes the definition of a "special case".
